

Welcome: Session 26 (19/07/21)

- Thank you for joining us
- We are grateful for the support of the community sector working in partnership with us to share messages with the residents of Kingston
- We need every resident know what they can personally do to keep themselves safe - and that way - also help Kingston safe as a whole
- Today we will share the latest data for Kingston
- We will share the latest key messages - for you to share with your contacts
- We are asking for your feedback and suggestions on questions about how we can best give messaging to residents.

— Cases (7-day average) : 64.6

What is the trend in Kingston for COVID-19?

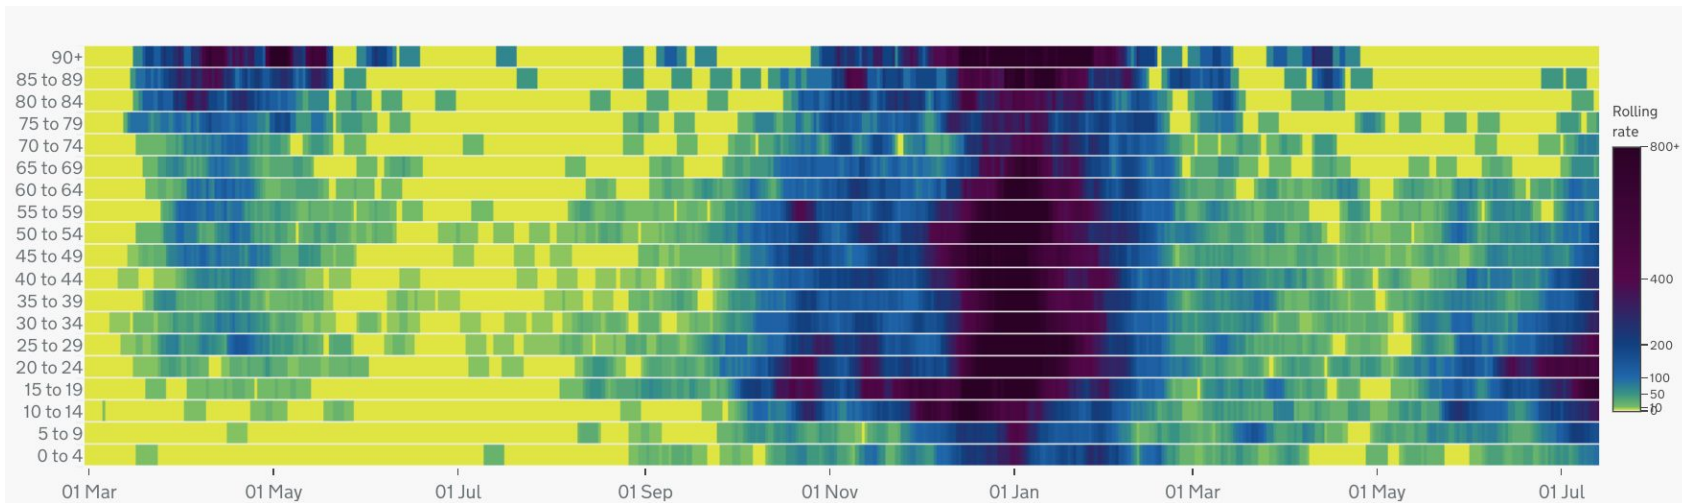

You can check the latest data here: <https://data.kingston.gov.uk/home/coronavirus-dashboard/>

Kingston Hot Spots, 13/07/21

You can check the latest maps here: <https://coronavirus.data.gov.uk/details/interactive-map>

Case rates/100,000/wk by age group, Kingston, 13/07/21, data at 19/07/21)

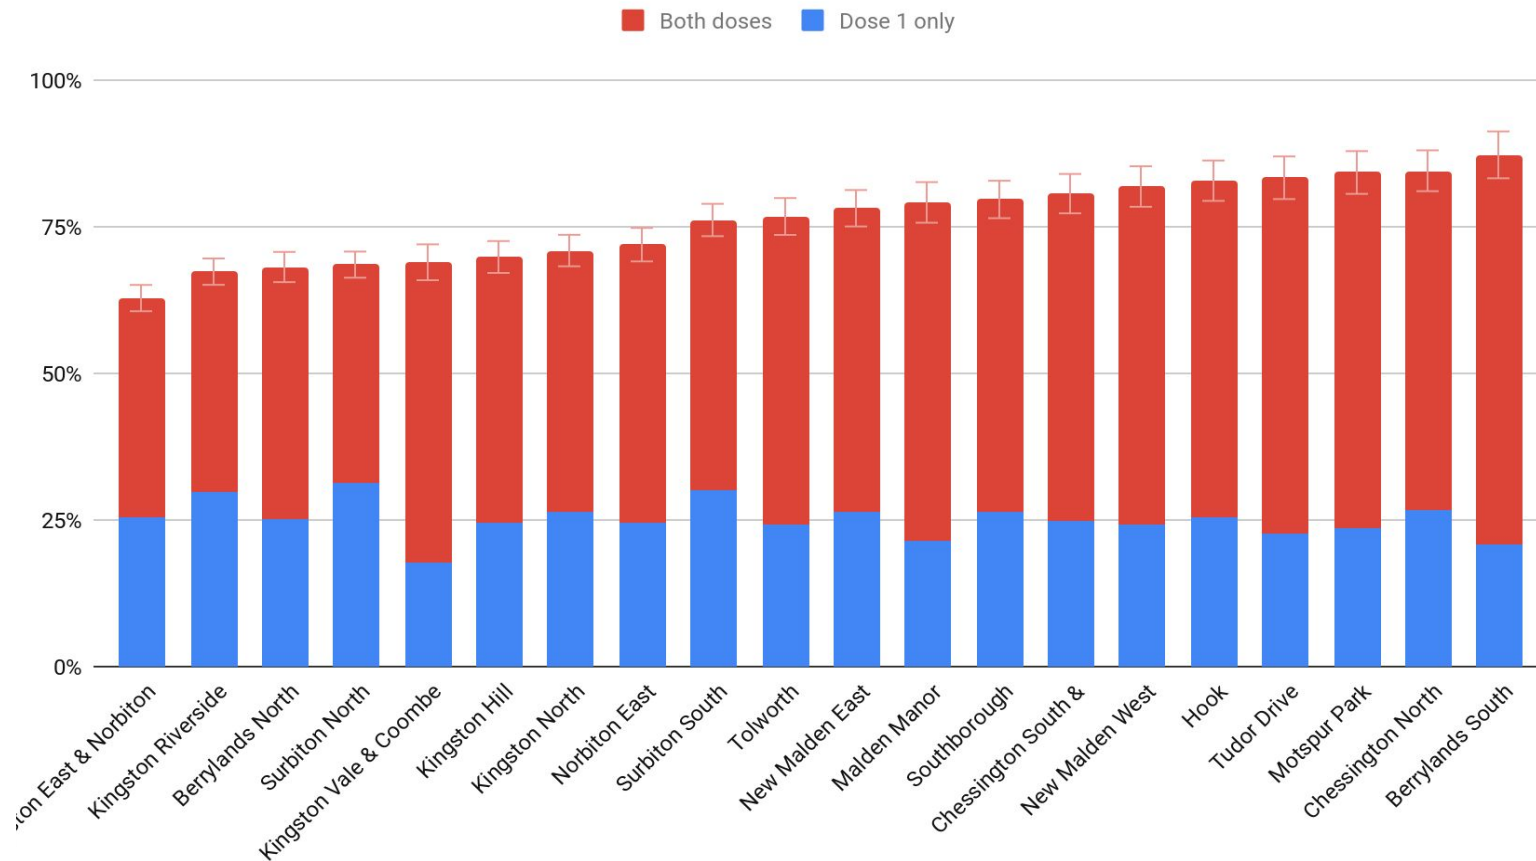

Highest rates (at 13/07/21) in:

- 15-19 (700.7/100,000/week)
- 20-24 (569/100,000/week)
- 25-29 (451/100,000/week)

Low rates in >65 years but some cases being seen (60-64 86/100,000/wk)

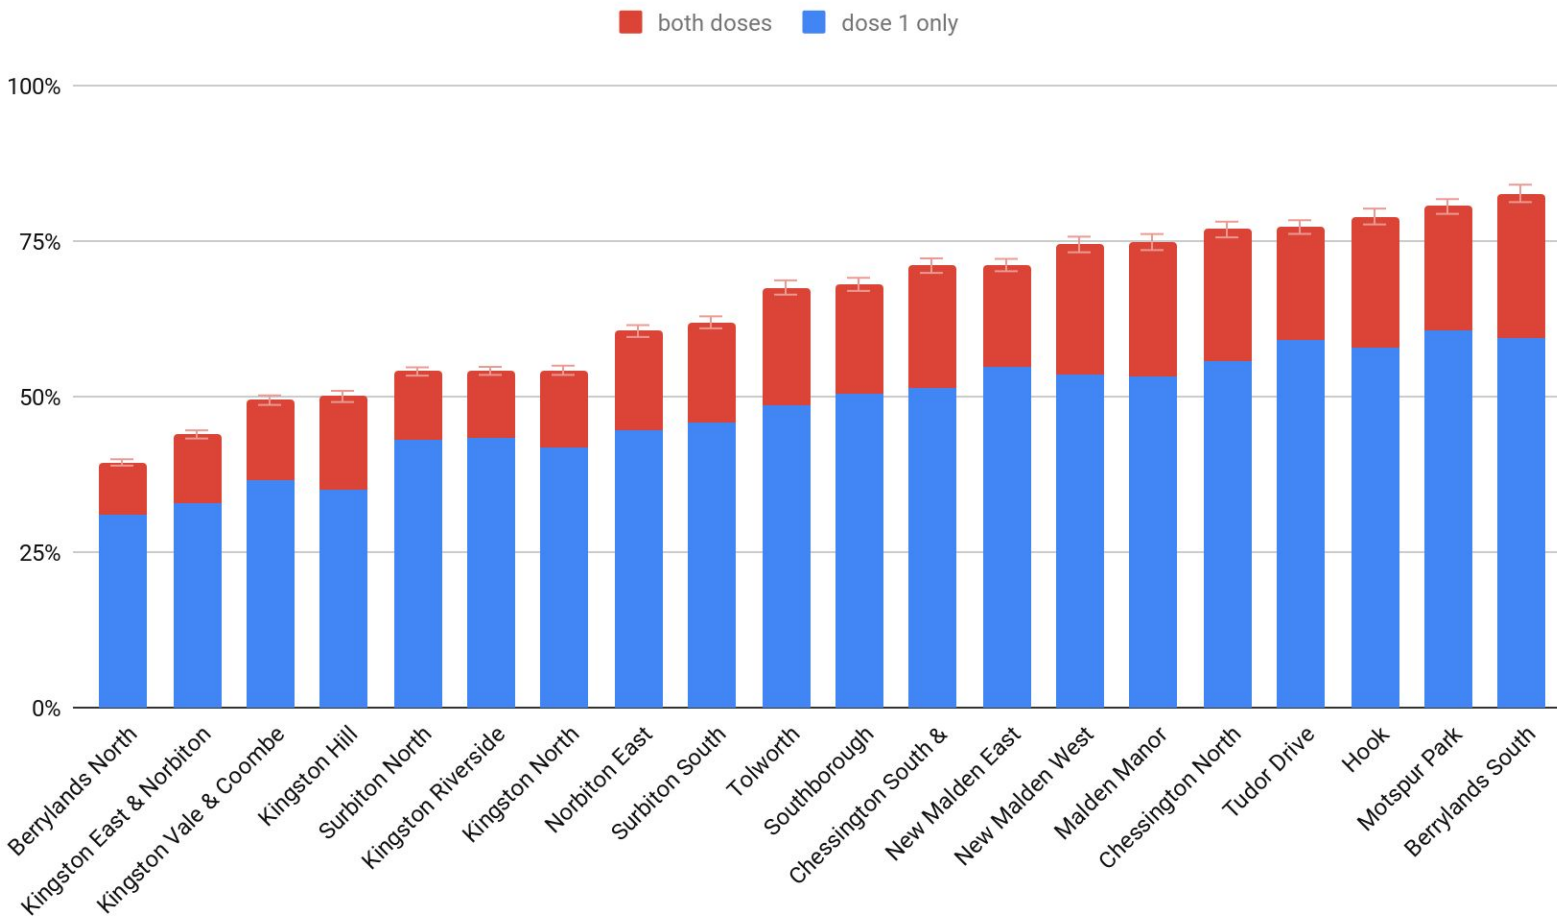

<https://coronavirus.data.gov.uk/details/cases?areaType=Itla&areaName=Kingston%20upon%20Thames>

Percentage of Kingston residents vaccinated to July 11th 2021, by MSOA - all ages

All of our MSOAs have over 60% of adult residents vaccinated.

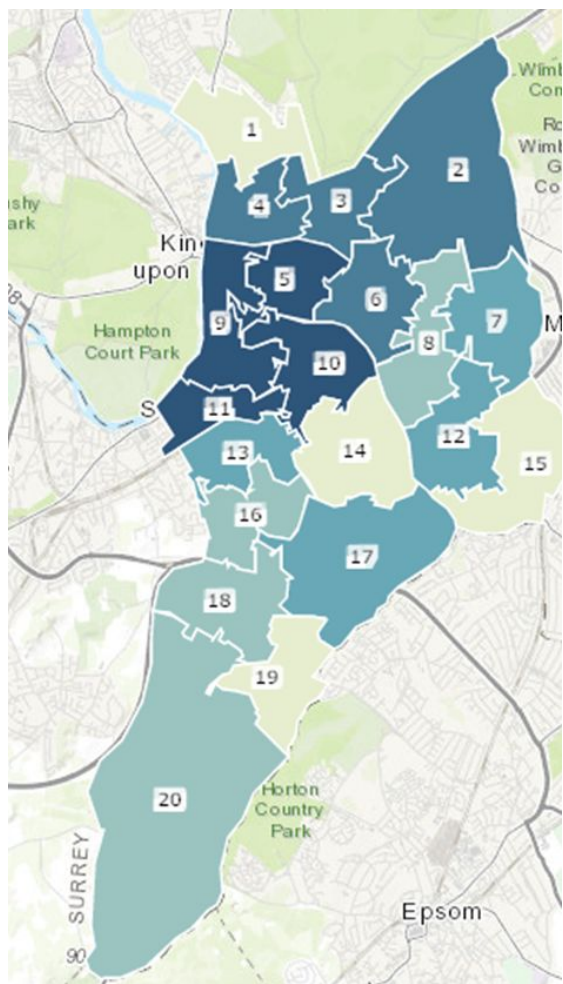

Percentage of Kingston residents vaccinated to July 11th 2021, by MSOA - **18-29 year olds**

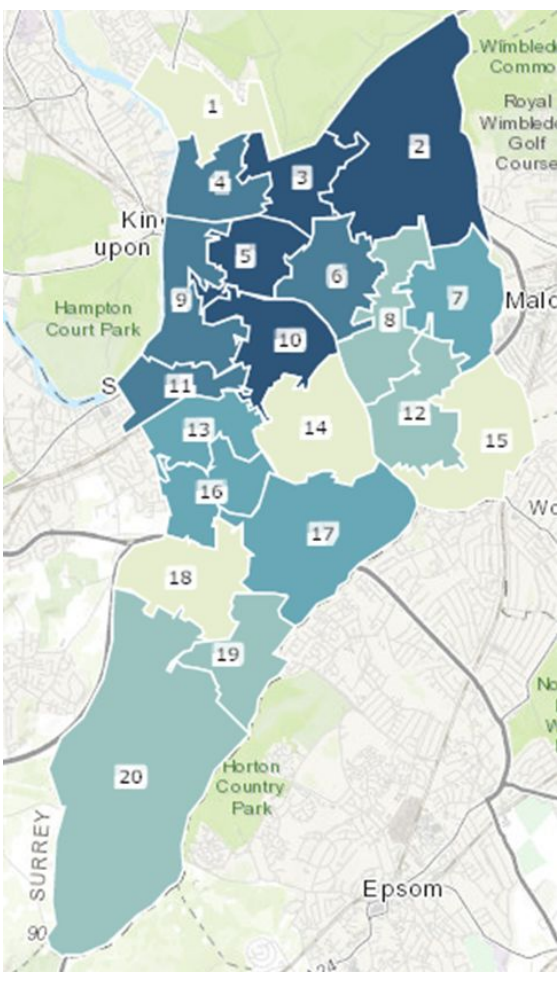

A much greater variety can be seen here than for all ages, with uptake in the highest areas around double that in the lowest

MSOA map of vaccination % uptake to July 11th 2021 all ages

MSOA number and name
1 - Tudor Drive
2 - Kingston Vale & Coombe Hill
3 - Kingston Hill
4 - Kingston North
5 - Kingston East & Norbiton West
6 - Norbiton East
7 - New Malden East
8 - New Malden West
9 - Kingston Riverside
10 - Berrylands North
11 - Surbiton North
12 - Malden Manor
13 - Surbiton South
14 - Berrylands South
15 - Motspur Park
16 - Southborough
17 - Tolworth
18 - Hook
19 - Chessington North
20 - Chessington South & Malden Rushett

age 18-29

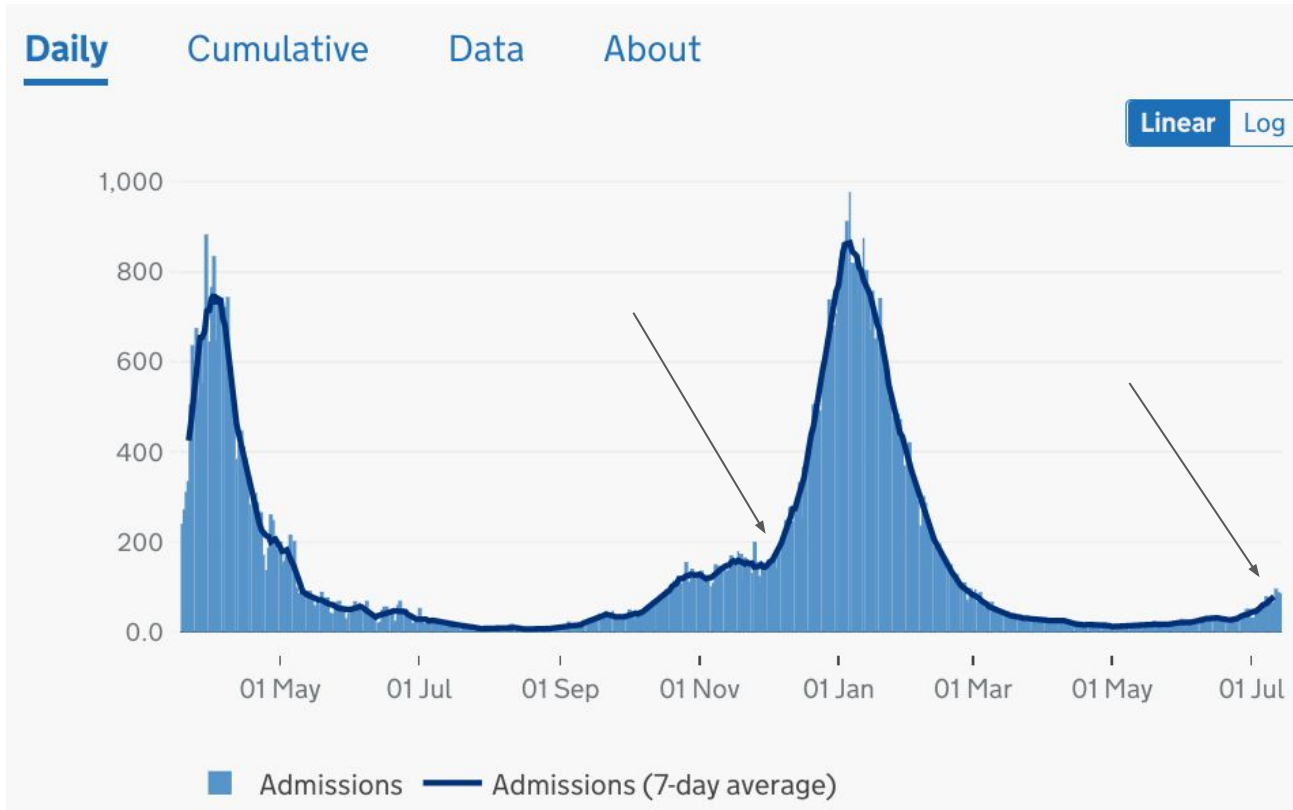

The MSOAs have been split into five groups, with four areas in each group

Darker colours reflect a lower first dose uptake

A slightly different pattern can be seen in younger residents

Healthcare: London Hospital Daily COVID-19 Admissions, 19/07/21

- 66 admissions per day in London (11 July 2021) vs 11.6/day on the 3rd May 2021 (ie x 5 increase)
- Cases do not seem to becoming hospital admissions at the same rate as previously in 2020 (about a third of when cases were at the current level - around 230 admissions per day in London in early/mid December 2020)

ACTION: Encourage young people with symptoms to get tested

- Our case rates in Kingston are highest in young people
 - ACTION: Encourage young people to get a test
 - <https://www.nhs.uk/conditions/coronavirus-covid-19/testing/get-tested-for-coronavirus/>
 - Help is available to young people if they need to isolate
- 'Don't guess, get a test'

***Action* Share the message with YOUNG PEOPLE that support is available if someone tests positive or must self isolate**

Let residents know:

“If you test positive and need to self-isolate, we are here to support you through the **Kingston Stronger Together hub**”

kingston.gov.uk/Covid19-needhelp

or

020 8547 5000

So that you can self-isolate at home, we can help you with:

Food deliveries

Medicine deliveries

Financial support

Support with your health and wellbeing

Kingston Stronger Together

Supporting one another throughout COVID-19 (Coronavirus)

Key vaccination messages

- **18+** can now book their vaccinations online through the NHS National Booking System

- Age – like a driving licence
or passport
- Your 1st vaccination – your
vaccination card or NHS app

swlondonccg.nhs.uk/covid-walk-in-clinics

THOUGH WE HAVE MOVED TO STEP 4 OF THE ROADMAP...

ALWAYS REMEMBER THE BASICS - HANDS - FACE - SPACE & FRESH AIR

- **Keep rooms well ventilated.**

The virus is spread through aerosol particles in the air, so opening windows regularly can cut the amount of virus present in the air in any room.

- **Wear a face covering.**

In shops, hairdressers, barbers, on public transport and in other indoor spaces where social distancing is hard.

- **Even once you've had both of your**

coronavirus vaccination, you must continue to follow all the guidance to control the virus and save lives.

Any questions?

Are there any topics in particular you would like to be covered in future sessions? Please put your answers in the chat function.

If you have any suggestions you can also email

nighat.taimuri@kingston.gov.uk

Thank you.

Together we can help **Keep Kingston Safe**
