List of Commissioners

January 2018

Overview

The purpose of this list is to enable Kingston's voluntary and community sector organisations (VCOs) to identify commissioners who may be commissioning services from VCOs. This list will be updated by the Council every six months. The list is broken down by portfolio, portfolio holder, lead Members, VCO sub-sector and Our Kingston Community Outcomes.

To contact a Council officer, place a full stop between their first name and surname and add "@kingston.gov.uk". For example, Joe Bloggs would be Joe.Bloggs@kingston.gov.uk. To get in touch via telephone, please dial "020 8547" followed by the four digit extension number of the officer you wish to speak to.

If you have difficulty reading this document because of a disability or because English is not your first language, we can help you. Please call our helpline on 020 8547 5000, or ask someone to call on your behalf.
