The session was amazingly informative. I cannot wait for it to become live.

Excellent. Looking forward to getting involved.

Brilliant idea. Glad to be a part of it.

Will make sure to spread the word about the service to my Kingston networks.

An easy-to-use website and very helpful to have all the services in one place.

It highlighted the importance of social activities to address individual issues without medication.

Great project. Very well executed so far. Well done.
