

Welcome: Session 21 (14/06/21)

- Thank you for joining us
- We are grateful for the support of the community sector working in partnership with us to share messages with the residents of Kingston
- We need every resident know what they can personally do to keep themselves safe - and that way - also help Kingston safe as a whole
- Today we will share the latest data for Kingston
- We will share the latest key messages - for you to share with your contacts
- We are asking for your feedback and suggestions on questions about how we can best give messaging to residents.

 - Tracing
 - Self-isolation Support
 - Vaccination
-
- Comms: prevention, supporting plan 9th June 2021->

Key messages for everyone

- Kingston has seen a sharp rise in cases of coronavirus in recent weeks, largely driven by nationwide increase in the Delta variant.
- We are implementing surge testing and are looking to increase opportunities for vaccination to address the situation.
- **Everyone in the borough is being asked to get a PCR test, whether or not you have symptoms.**
- **This is particularly important if you are aged 18 to 24 years**, as we are seeing the highest rates in secondary school age children and young adults.
- Walk-in appointments are available at our Market House test site in central Kingston, as well as at Mobile Testing Units across the borough. Find out all the ways to get a free PCR test at www.kingston.gov.uk/surge

Action Please share this message & graphic about our mobile test sites

Let residents know:

New Mobile Testing Units have been set up around Kingston, offering free walk-in PCR tests for anyone.

No need to book - just turn up!
Go to
www.kingston.gov.uk/surge for
full details.

Get tested at one of the new Mobile Testing Units in Kingston

No need to book, just turn up.

Let's do it for Kingston!

KEEP KINGSTON SAFE

Action Share the message that support is available if someone tests positive

Let residents know:

“If you test positive and need to self-isolate, we are here to support you through the **Kingston Stronger Together hub**”

kingston.gov.uk/Covid19-needhelp

or

020 8547 5000

So that you can self-isolate at home, we can help you with:

- ✓ Food deliveries
- ✓ Medicine deliveries
- ✓ Financial support
- ✓ Support with your health and wellbeing

Kingston Stronger Together
Supporting one another throughout COVID-19 (Coronavirus)

Key vaccination messages

- 25+ can now book their vaccinations online through the NHS National Booking System
- 50+? Book your second jab now - 8 week interval, not 12.
- 40+? Second doses - Hawks Road site is offering walk-in vaccinations this week

ALWAYS REMEMBER THE BASICS - HANDS - FACE - SPACE & FRESH AIR

- **Keep rooms well ventilated.**

The virus is spread through aerosol particles in the air, so opening windows regularly can cut the amount of virus present in the air in any room.

- **Wear a face covering.**

In shops, hairdressers, barbers, on public transport and in other indoor spaces where social distancing is hard.

- **Even once you've had your coronavirus vaccination**, you must continue to follow all the guidance to control the virus and save lives.

Any questions?

Are there any topics in particular you would like to be covered in future sessions? Please put your answers in the chat function.

If you have any suggestions you can also email

nighat.taimuri@kingston.gov.uk

Thank you.

Together we can help **Keep Kingston Safe**
