

VCSE Sector Office Space (Premises) Survey 2025 - Expression of Interest - KVA

As we all look for ways to manage the challenges of increasing demand and reducing funding, KVA is currently working with Kingston Council to explore the potential for not-for-profit organisations to be able to make use of council premises (office spaces) that may be available.

In addition, Kingston Voluntary Action will launch a Community Spaces webpage to match not-for-profit organisations interested in sharing office space.

This survey should be completed by someone who understands your organisation's working space needs. Please complete one survey per organisation, which takes only 2-3 minutes. Thank you.

Deadline - 30 July 2025
